President

A word from the new Chairman and President

Wachiya,

First of all, I'd like to express my appreciation in being elected as Chairman of the Board of Compensation at our December meeting and I look forward to taking on the role of President of CRECO as well. I've been a Board member for the past four years and I look forward in continuing to work with our Board of Directors, subsidiaries and our team.

Secondly, I wish to thank Mr. Rusty Cheezo for his 2 years of service and I look forward to having a productive transition in the next 2 months. Mr. Cheezo has offered his continued support and involvement in certain files and I am confident we will achieve great success with such objectives.

As we begin a new journey, I remain optimistic we will achieve a new set of milestones this coming year for BOC-CRECO. The Board of Directors has initiated the passing down of the torch and I look forward to these new challenges. I also wish to thank the wonderful staff of BOC-CRECO for their warm welcome. Together we will achieve great results for the organizations we represent.

I am open to new innovative and creative ideas and will collaborate with management, joint venture partners for the betterment of the Board of Compensation, CRECO and its subsidiaries to result in greater return to the Cree Nation. Once again, I look forward to this opportunity, working with our team and wish you all the best in this New Year.

Derrick Neeposh
Chairman of the Board of Compensation & President of CRECO

Wachiya,

Our 3rd Annual Assembly was held in Eastmain on July 18 & 19, 2018. BOC, CRECO and its subsidiaries presented their audited financial statements and activity reports.

2018 marked the Board of Compensation's 40th anniversary. A celebratory banquet was held to mark this milestone, which was followed by toe tapping fiddle music and quite a number of guests exhibited their square dancing talent. A big thank you and great appreciation to everyone who contributed and collaborated with the organization during those 40 years. We also thank the Cree Nation of Eastmain for their hospitality.

Congratulations to the newly elected Chairman, Mr. Derrick Neeposh, who on December 20, 2018 also became the President of CRECO.

In closing I'd like to thank the Members of the Board Compensation, CRECO and subsidiaries' staff for dedication and continued support these past two years, I strongly urge you to continue the support you have shown for the Board of Compensation, CRECO and its subsidiaries for the benefit of the Cree Nation.

I hope you all have had a wonderful holiday season and wish you all the best in the coming New Year!

May God bless the Cree Nation,

Rusty Cheezo,
Board of Director, CRECO
